Episodes #38:

- Electric Fire Double Battle

Scripts:

A van pulls up near the city entrance. The door slides open as Ash and his friends step out with their Pokémon

Professor Elm: Here we are, back to Ecruteak City again.

Ash: Thanks for the ride, Professor!

Ty: We really appreciate it.

Professor Elm: **Smiling** Anytime. I'll be heading to my lab. Take care on your journey, everyone.

Lillie: Thanks Professor Elm. Take care.
He waves before driving off toward the road leading back to New Bark Town, the gang are looking relaxed

May: It feels nice to be back.

Manaphy: Manaphy.

Dawn: Yeah, after everything that happened in New Bark Town.

Sakura: And I'm so glad we're back in my hometown.

Avery: Yeah, but we're a bit tired. That ride was longer.

Raye: I don't think it's longer. We should take a break at the pokemon center.

Sarah: Yeah, we should wait before we move to our next trip.

May: Just like Ty, who's excited about his next gym badge that he's looking forward to.

Ty: I can wait for that later. Let's grab some snacks and heal our pokemons.

Teddiursa: Ursa.

Ty: Good point, buddy.

Jonah: Our Pokémon probably need some rest after all that training and battling.

Raye: And we could use a break too.

Jonah: Agreed.

Sarah: **Smiling** The Pokémon Center sounds perfect right now.
The gang agrees with while they watch Max holds Togepi

Ash: Max. Togepi is happy to be with you.

Max: Yeah. And he's making new friends with us. Right, Togepi?

Togepi: Togepi.

Ash: Let’s get everyone healed up first.

Avery: Good idea.

Pikachu: Pika Pika.
The group heads toward the pokemon center

Narrator: After returning from New Bark Town, our heroes take a well-earned rest in Ecruteak City. But little do they know that their adventure awaits them just around the corner.

Max (Narrator): Electric Fire Double Battle!
Inside, Nurse Joy smiles warmly as she recognizes the returning travelers behind the counter

Nurse Joy: Welcome back! It’s nice to see you all again.

Ash: Hi, Nurse Joy! We’re just stopping by for a short break, do you mind healing our pokemons?

Nurse Joy: Of course. Please make yourselves comfortable while I take care of your Pokémon.
The group hands over their Poké Balls while some of their Pokémon remain outside with them. The gang relaxes on the couches nearby

Ty: Man, I still can’t believe we lost that tag battle from yesterday.

Sarah: We didn’t lose that badly. Raye and Jonah just had better coordination.

Raye: **Smile** You two were strong. But Jonah and I practiced tag strategies a lot.

Jonah: **Smile** Yeah. In tag battles, timing is everything.

May: You guys gave commands to your Pokemon at the same time.

Sarah: We did use it during the battle. But still…When our attacks overlapped, Raye and Jonah took advantage of the opening.

Dawn: **Smiled encouragingly** But you guys were amazing too! Your Pokémon had great power.

Ty: Well, I guess we need to work on teamwork.

Lillie: Battles aren’t only about strength. Understanding your partner is important too.

Sakura: That’s why trainers in Johto sometimes train together before entering tag tournaments.

Max: That tag battle you have was very epic. I'd say Ty fought well in the battle.

Lillie: And their pokemons did improve everything they progressed. You guys made an outstanding battle.

Jonah: That's why we fought harder, improving our experience.

Raye: **Smile** And your skills were impressive, Jonah.

Jonah: **Smile** Yours as well.

Ash: You guys made a lot of great progress here.

Ty: Yeah. Even though I lost that tag battle, I still want to train harder.

Sarah: But you did great out there, cousin.

Ash: Yeah. That was a really tough battle despite that you lost.

Raye: **Smiling** And it was fun too.

Ty: **Smiling** Yeah, it really was. Teddiursa did great in the fight.

Teddiursa: Teddiursa.

Dawn: He's very happy that he had a great time yesterday.

Sakura: He learned a lot when you need it.

Teddiursa: Ursa.
Nearby, the gang watches Max who sits with the newly hatched Togepi in his lap

May: Looks like my little brother is having a great time with his new buddy.

Avery: He's got a great company with him.

Max: Here you go, Togepi. Have a treat for you.

Togepi: Togepi.
He gives it a small Pokémon treat. Togepi claps its tiny hands happily and begins munching on the snack

Togepi: **Excited** Togepi.

Max: Hehehehe.

Pikachu: Pika Pika.

Teddiursa: Teddiursa.

Manaphy: Manaphy.
Pikachu, Teddiursa, and Manaphy joins in as Manaphy begins tickling Togepi, making it giggle

Togepi: **Giggle** Togepi.

Max: **Laughing** Hey, Manaphy! That tickles!

Manaphy: Mana.

Togepi: Togepi.
Togepi wiggles with laughter while Pikachu and the others watch happily

Dawn: Looks like Togepi is fitting in perfectly.

Lillie: They’re already great friends now.

Ash: Our team keeps getting bigger.

Ty: He'll be a good caretaker. That's his promise.

May: **Smiles**
Later, Ash stands in front of the video phone terminal while the others are still chatting. The screen flickers before connecting to the lab of Professor Oak in Pallet Town

Ash: Hey, Professor Oak! I just wanted to tell you about our adventure in Johto, we're having a great time together.

Professor Oak: I've been looking forward to hearing about it, Ash. Are your friends doing good together?

Ash: Yeah we are. We have a pokemon battle and help my friend to be the best trainer.

Pikachu: Pika Pika.

Professor Oak: **Smile** That's wonderful news. You are making good progress on your journey.

Ash: Yeah, and we made sure–

Ty: Hi there. How are you doing?
Suddenly, Ty and Teddiursa joins in with Ash, talking with Professor Oak on the screen

Professor Oak: Hello there. You must be Ash's new friend?

Ash: Yeah he is. This is my new traveling companion.

Ty: That is correct. I'm Ty Masterum from New Bark Town, and that's my best buddy, Teddiursa.

Teddiursa: Teddiursa.

Professor Oak: **Smile** Nice to meet you, Ty. And you have begun your journey too I'll say.

Ty: **Smile** I totally did. And I've been training my pokemons to be the best team, so I can compete at the Indigo Plateau League.

Professor Oak: **Amazed** Ahhh, that's perfect. You'll be looking forward to that.

Ty: My goal is to become a strong Pokémon Trainer and compete in big tournaments someday once I'm fully prepared.

Professor Oak: **Approvingly** That's an excellent goal. Determination like that is the first step toward becoming a great Trainer.

Teddiursa: Teddiursa.

Ash: And I'll be ready to compete in the league again.

Ty: Awesome.
As they are chatting, another familiar face leans into view beside Professor Oak, it was Ash's old companion, Tracey Sketchit

Tracey Sketchit: Ash! Is that really you? It's great to see you again

Ash: **Happy** Tracey! Long time no see.

Pikachu: **Happy** Pika Pika.

Tracey Sketchit: **Happy** Hey there, Pikachu.

Tracey Sketchit: Professor Oak told me you were calling. So how's your Johto adventure going?

Ash: It's amazing! We've met lots of new friends.

Ty: **Smile** That is your friend here?

Ash: Yeah. Tracey, this is Ty. He's traveling with us.

Ty: Hi, Tracey! Nice to meet you.

Tracey Sketchit: Nice to meet you too, Ty! And is that Teddiursa your partner?

Ty: Yep! That my partner and best friend.

Teddiursa: **Smile** Ursa.

Tracey Sketchit: That's awesome! I love studying Pokémon behavior. Teddiursa seems very playful.
Teddiursa happily spins in place

Teddiursa: Teddiursa!

Tracey Sketchit: **Smile** See? Just like that!

Ty: You two know each other very well.

Ash: Tracey was my companion during our journey, now he works with Professor Oak at the lab, and he loves studying Pokémon.

Ty: That's cool.

Tracey Sketchit: And I also love drawing them too! Maybe someday I'll sketch Teddiursa and you.

Ty: That would be awesome!

Professor Oak: It's wonderful seeing trainers making new friendships on their journeys.

Ash: **Smiling confidently** Yeah! And we're just getting started!

Pikachu: Pika pika!
Ash and Ty finish their video call and step back into the main lobby with their friends

Ty: We're back everyone.

Avery: **Smile** Glad you could join us again.

May: How was your chat with Professor Oak?

Ash: It was great. I get to meet him again and Tracey as well.

Max: **Amazed** Tracey? That's awesome. I really want to see him again when we visit the Kanto region.

Ash: You will be, Max.

Ty: And both of them were so cool, Teddiursa was happy to meet them.

Teddiursa: Ursa.

Jonah: That's awesome.

May: I remember that we stopped by your hometown.

Ash: Yeah, glad that you remember that.

Pikachu: Pika Pika.
Suddenly, a familiar voice calls out to them, it was Morty once again

Morty: Hey there you guys, welcome back to my city.

Sakura: **Smile** Hi there, Morty.

Ash: **Smile** It's nice to see you again.

Pikachu: Pika Pika.

Morty: **Smile** I heard you were traveling around Johto. I'm glad your journey brought you back here safely.

Ty: Yeah, we got back here from New Bark Town.

Raye: We had a great time in our hometown.

Ty: We trained a lot there, and I had a big tag battle with my friends.

Jonah: Which means that Raye and I won of course.

Sarah: It was a good match.

Ty: But we lost the battle yesterday, but it really pushed me to improve.

Morty: **Approvingly** That's awesome. Your battles help each other grow stronger together. And Ty, I can already see that that improved since our Gym battle

Ty: Thanks, Morty. We're getting better every day.

Morty: Well said, Ty.

Lillie: These guys are making good progress here. They never get tired of it.

Max: I'll call it a non-stop training for them.

Ty: You got that good point, Max.

Morty: And you'll be ready for your big goal that you're looking for.

Ash: Not until that Ty gets his complete badges for the league.

Ty: I'll be ready for the tournament in no time.

Morty: **Smile** You will be. But...there are visitors who arrived here right before you guys.

May: Hm? Who?
Just then, the automatic doors of the Pokémon Center slide open. Two figures walk inside. One carries a confident grin with fiery energy. The other has a calm but serious expression

Avery: Who are these two?
The two trainers steps inside, it was none other than Volkner and Flint

Ash: **Surprisingly happy** No way...

Dawn: **Surprisingly happy** Is that...?!

Flint: **Grinning** Hey there. Ash, Dawn.

Volkner **Calmly** It's been a while.

Ash & Dawn: **Happy** Flint! Volkner!

Pikachu: **Happy** Pika Pika
Ash, Dawn and Pikachu were happy to see both sinnoh trainers again while the rest of the group looked confused

Lillie: Wait, you know them?

Ash: Of course! They're trainers from the Sinnoh region that we met.

Dawn: Flint is part of the Elite Four, and Volkner is the Gym Leader of Sunyshore City!

Flint: **Chuckles** That's exactly correct. And I see you got some fans already.

Ash: These are friends and companions, we're traveling together.

Volkner: I'll say that these guys are trainers too?

Ash: Yep, they are.

Ty: Whoa. An elite four and the gym leader from sinnoh region?

Jonah: That's awesome.

Volkner: **Smile** Totally. And you must be Ty, the trainer who beat Morty in the gym battle.

Ty: I'am. Morty told you that?

Morty: **Smile** Indeed I did. I explained to them after your decisive victory against me from last time.

Avery: **Smile** Ohh, they're so cool.

Sakura: **Smile** Looks like they found one trainer.

Sarah: **Smile** That's my cousin, of course.
During their break which they invited both Flint and Volkner, they had a chat together, and drinking lemonade together

Ash: I still can't believe that you both are here. That takes me back when I faced you in battle.

Volkner: And you really make up for the improvement of your skills during your journey, and I see that Pikachu is more powerful now.

Pikachu: Pika Pika.

Ash: He is. He never gives up.

Flint: That's lucky for you both. And Dawn, you making a good progress of becoming a coordinator?

Dawn: Still need to complete that, but I'm looking to that. So what brings you two here in Jotho?

Flint: **Smile energetically** We've been traveling other regions! What else?

Ash & his friends: Huh?

Sarah: You mean,.you visited other regions?

Volkner: **Smile calmly** It was Flint’s idea. He convinced me to visit other regions. We’ve been observing different Trainers and battle styles.

Morty: They arrived earlier today. Johto’s battles have always attracted trainers from other regions.

May: So you’re exploring and meeting with trainers to battle, then?

Flint: Exactly! You never know where you’ll find strong trainers.

Jonah: **Smile** Like anyone who are.
Then, Flint’s eyes shift toward Ty

Flint: Speaking of which, Ty. Morty told us about your recent battle you have before.

Ty: Yeah. I challenged gym leaders in my journey. And I showed them how strong i'am of determination during that battle.

Flint: That’s the kind of thing that gets our attention.

Ash: Ty’s been training a lot lately since we met him during his beginning of his journey.

Sakura: They just had a big battle back in his hometown.

Raye: And we had an intense battle. Everyone gave it their best.

Sarah: Everyone have their great efforts when someone accepted their challenge.

Volkner: That makes more sense. You made a good potential. Are you becoming a good trainer?

Ty: Yes! And my goal is to become a strong trainer and and become the next pokemon master like Ash here. I want to keep improving so I can take on stronger opponents.

Teddiursa: **Proudly** Teddiursa!

Ty: I want to keep improving so I can take on stronger opponents.

Flint: **Impressed** That’s the spirit!

Volkner: Ambition is important for growth.

Flint: And what about you guys? How's your training going?

Lillie: Well, I've been training my pokemon well, since I met Adh for the first time in my region.

Jonah: We're training here as well. And we had a tag battle against Ty and Sarah. Raye and I won the battle.

Sarah: Our Pokémon worked really hard too.

Raye: It was close the whole time.

Jonah: But we managed to win in the end.

Ty: **Smiling** Yeah. Even though we lost, it was a great battle.

Avery: **Smiling** Everyone learned something from it.

Flint: **Amazed** That sounds like a fantastic match!

Volkner: Battles like that sharpen a trainer’s instincts.

Morty: Ty has improved significantly since the last time we met.

Flint: **Grinning** You've got talent, kid.

Ty: Likewise. That's why I'm getting better and better.

Ash: Told you Ty was strong! He pushes forward.

Sarah: My cousin never gives up.

May: That's what makes a great Trainer.

Max: And Teddiursa and his pokemons are awesome too!

Togepi: **Clapping excitedly** Toge! Toge!

Manaphy: **Cheerful** Mana!
Volkner and Flint were impressed at Ty's skills and his battles, Dawn questioned at both sinnoh trainers

Dawn: **Curious** By the way. Since you're both here in Johto, who's taking care of your Gym and Elite Four duties?

Ash: Yeah, good question, Dawn. Wouldn't that be a problem?

Volkner: I arranged for a temporary replacement at my Gym in Sunyshore City.

May: A replacement?

Volkner: **Smile** A volunteer trainer. They're handling Gym challenges until I return home.

Jonah: Wow, that's a big responsibility.

Volkner: Only someone capable would be trusted with it.

Flint: As for me, I've got family helping out. It's my little brother of course.

Dawn: Wait! You have a brother?

Flint: Yep! Check this out.
He pulls out his Rotom Phone and taps the screen, showing the gang the picture of his brother, Buck, smiling confidently

Avery: That's your brother?

Flint: Yeah. My younger brother's filling in while I'm away, he's taking my position.

Ty: That's very cool for having your brother taking over for you.

Teddiursa: Teddiursa.

Dawn: And you never told me that.

Ash: Hold on... Buck...oh yeah, I remember him. We met him last time.

Dawn: **Realizing** Oh, yeah! The treasure hunter we met in Sinnoh.

Ash: That's right! We ran into him during our journey!

Pikachu: Pika Pika.

Flint: **Laughing** Haha! Guess I forgot to mention that part.

Volkner: **Slightly amused** You forget a lot of things.

Flint: Hey come on, I was busy battling with any trainers.

May: That’s pretty amazing of him.

Max: So your brother’s handling Elite Four duties?

Flint: More like assisting and filling in where needed.

Lillie: He must be really strong.

Flint: Definitely, he is. And he loves adventure just as much as I do.

Ty: **Impressed** That’s really cool, traveling and still having people you trust to cover for you.

Raye: It shows how important teamwork is.

Jonah: Even outside of battles.

Sarah: Everyone plays a role.

Sakura: Just like in a tag battle we saw yesterday. He's also a pokemon trainer too.

Flint: Yeah he is. He challenges anyone that he encounters.
The conversation continues as the group gathers around. Max looks at the two Sinnoh Trainers with admiration

Max: **Smiling** Since you're both from Sinnoh, you guys are really cool.

Flint: Heh, Thanks Max. I like this kid already.

May: He does like meeting someone new.
Volkner then notices Togepi on Max's arm

Volkner: Max. Is that a Togepi you're holding?

Max: Yeah! It just hatched recently, and I'm taking care of him.
Togepi leans forward slightly, poking its head out comfortably.

Togepi: **Proudly** Toge!

Volkner: It seems attached to you.

Lillie: **Smiling** It chose Max right after hatching.

May: They’re already inseparable partners.

Volkner: That's nice of him. He sure likes to babysit.

Flint: He does so.

Max: **Smiling** Yeah.
Everyone enjoys until Flint questioned Ash

Flint: So, Ash, didn’t you already accomplish your goal right after you won the tournament?

Ash: **Confident** Yeah, but I’m not done yet.

Flint: Oh. You mean you're not done yet?

Ash: There’s still so much to learn about Pokémon. I want to keep getting stronger and meet new Pokémon along the way.

Pikachu: Pika!

Dawn: That’s just how Ash is after he won.

Ty: **Determined** That’s why I look up to him.
Flint and Volkner turn toward Ty

Ty: My dream is to become the best trainer. And I'll be the next Pokémon Master too, just like Ash.

Teddiursa: **Nodding enthusiastically** Teddiursa!

Flint: **Reacted in excitement** That's a goal I can get behind!

Volkner: **Nodding slightly** Ambition like that drives a trainer forward.

Morty: Dreams like those shape the path ahead.

Ty: Once I'm strong enough, I'll face Ash in no time.

Ash: **Smiling** You’ll get there if you keep working at it.

Raye: I'm going to make sure my best friend here doesn't fall behind.

Jonah: He'll keep improving for his journey.

Sarah: That’s what makes this journey special for my cousin.

Avery: Everyone’s chasing something.

Max: And I'll help Togepi grow too.

Togepi: **Cheerful** Togepi!

Manaphy: **Floating excitement** Mana!
Volkner studies Ty carefully, his eyes sharp with interest

Volkner: Since you're becoming the strongest trainer, I’d like to see your strength firsthand.

Ty: You mean a pokemon battle?

Flint: Not just any battle. We want to know if you can handle stronger opponents.

Volkner: **Calmly** That's right. We'll test you in a handicap match, two against one.
The room goes silent with shock about the offer

Ash & his friends: **Shocked**

Pikachu, Teddiursa, Manaphy & Togepi: **Shocked**

Max: What?

Sakura: Two-on-one battle?

Jonah: No kidding.

May: I don't think it's going to be easy.

Lillie: **Concern** That sounds really difficult.

Ash: Well, they're both powerful trainers, but are you sure about this Ty?

Pikachu: Pika?
They all eye on Ty, whenever if he accepts or not, clenches his fist with determination

Ty: It might be difficult, but I'll handle it. I accept!

Ash & his friends: **Surprised**

Pikachu, Teddiursa, Manaphy & Togepi: **Surprised**

Flint: **Grinning wider** I like that attitude! Confidence is necessary!

Avery: Wait! With all do respect, Ty. Can you actually win against these two? You might lose in the battle.

Ty: Not to worry, Avery. I don't care if I lose, my pokemon will be ready to a battle.

Teddiursa: Ursa.

Flint: See? He's accept it. Lets see your impressive skills to us.

Ty: Sounds good to me, Flint. Let's go!

Teddiursa: Teddiursa!

Morty: In that case, the open field is available.

The open battlefield is set just outside Ecruteak City. The trainers take their positions from both sides. Volkner and Flint, calm and confident. Ty, focused and determined, with Teddiursa by his side. Ash and the others with Morty, sitting in the bench.

Jonah: This is going to be intense!

May: Two-on-one, that's a huge challenge.

Manaphy: Mana.

Max: He's really going for it.

Togepi: Togepi.

Dawn: **Slightly worried** I don't know, this might be too much for him.

Lillie: He'll be fine. I believe he can win without struggling.

Ash: Relax. Ty over here can make it.

Sakura: That's a lot of confidence.

Raye: Let's see if he can back it up.

Morty: This will test everything he's learned.

Sarah: I hope so. But he'll win. He has to.

Referee: This will be a two-on-one battle. Trainers, in position.
Ty, Flint and Volkner were in position, ready for a pokemon battle

Referee: Begin!

Flint: Let’s heat things up! Infernape, go!

Infernape: Infernape!

Volkner: All right, Luxray, your turn!

Luxray: Lux, Luxray!
Infernape burst of flames erupts as it lands fiercely on the field, and Luxray flash of electricity crackles appears, its eyes glowing intensely

Ty: **Determined** Alright, buddy, let's go.

Teddiursa: Teddiursa!

Ty: Okay, Croconaw, come on out!

Croconaw: Croconaw!
Both Pokémon appear, standing ready side by side

Max: Check that pokemon that both Volkner and Flint has.

Togepi: Togepi.

Ash: It's Luxray and Infernape, of course.

Pikachu: Pika Pika.

Jonah: **Concerned** Croconaw against an Electric-type, can Croconaw handle with it?

May: Water-types are vulnerable to Electric attacks, yes, but Croconaw also has the strength and resilience to fight back effectively if used wisely.

Ash: It’ll come down to how Ty uses it.

Pikachu: Pika Pika.

Manaphy: Manaphy.

Flint: Show us what you’ve got, Ty! And try not to fall back!

Ty: **Focused, clenching his fist** I won’t, but thanks for the tip.
The battle erupts instantly as sparks and flames clash across the field

Volkner: Luxray, use Shock Wave on Croconaw.

Luxray: Lux! Lux!

Ty: **Quickly** Croconaw, dodge it!

Croconaw: Croc!
Electric energy gathers and fires toward Croconaw in a fast, unavoidable arc, however, Croconaw leaps to the side just in time, the Shock Wave slams into the ground, missing its target

Raye: Wow, nice dodge!

Dawn: That was really close!

Ty: Now, Ice Fang!

Croconaw: Croconaw!

Luxray: **Being hit**
Croconaw charges forward, its jaws glowing icy blue. It bites down on Luxray, sending a burst of frost across its body

Max: That's a direct hit!

Togepi: Togepi.
Luxray slides back, growling, but quickly regains its footing

Volkner: Good recovery, Luxray. Stay focused.

Ty: Teddiursa, use Payback on Infernape!

Teddiursa: Teddiursa!

Flint: Infernape, avoid its attack!

Infernape: Infer!
Teddiursa charges forward, dark energy surrounding it, Infernape swiftly flips backward, dodging the incoming strike with ease

Flint: Now, use Mach Punch!

Infernape: Fern! Fern!

Teddiursa: **Being hit**
The punch lands cleanly on Teddiursa, sending it sliding back across the ground

Ty: Hang in there, buddy!

Teddiursa: Ursa.

Raye: **Astonished** That speed was fast!

Jonah: It completely read the attack.

Lillie: That counter was perfect. Teddiursa took that head-on.

May: Flint’s battle style is so aggressive, and fast.

Sakura: Ty has to stay ahead of both of them.

Avery: He can’t afford to fall behind.

Morty: Flint uses overwhelming speed, while Volkner applies precise pressure.
Teddiursa resumes his battle after taking damage by Infernape's attack, determined to keep fighting

Flint: Infernape, Thunder Punch now!

Infernape: Infer…nape!

Ty: Teddiursa, dodge the attack quickly!

Teddiursa: Teddiursa!
**Infernape’s fist crackles with electricity as it lunges forward.*
*Teddiursa jumps aside just as the electrified punch strikes the ground**

Ty: Now, use Fury Swipes!

Teddiursa: Ursa!

Infernape: **Being hit**
**Teddiursa rushes in, slashing rapidly with glowing claws.*
*Multiple hits land directly on Infernape, forcing it back**

Ash: He made a nice move!

Morty: **Impressed** Ty is adapting. He's focusing his attacks more carefully now.

Dawn: He's not just reacting anymore. He's thinking ahead.

Flint: Not bad, kid! Keep it up. Infernape, mach punch!

Infernape: Infernape!

Ty: Teddiursa, dodge again!
Infernape dashes forward again at incredible speed.Teddiursa narrowly avoids the punch, sliding to the side

Flint: Now's your chance!

Volkner: With pleasure. Luxray, Iron Tail!

Luxray: Lux! Lux!

Teddiursa: **Being hit**

Ty: **Surprised** Huh!?
**Despite that Teddiursa avoided Infernape's attack, Luxray strikes him with its attack. Luxray's Iron Tail slams into Teddiursa, sending it crashing to the ground.*

Ty: Teddiursa!

Ash & his friends: **Surprised**

Jonah: Wait, that wasn't random.

Ash: They were setting that up!

Sakura: **Realizing** They used Infernape as a distraction…

Sarah: So Luxray could land the real hit, like a coordinated teamwork.

Morty: A synchronized strategy. One attacks, the other capitalizes on the opening.

Flint: You're keeping up better than I expected!

Volkner: **Smile** And you've been learning a lot.

Ty: **Concerned & determined** Teddiursa! You can still do this!

Teddiursa: Ursa.
Teddiursa struggles but slowly pushes itself back up again while Croconaw growls beside it, ready to continue the fight

Sarah: Come on, Ty!

Raye: Don’t lose focus!
Ty steadies himself, eyes locked on both opponents

Ty: Alright, let’s do this together.

Croconaw: Croc!

Teddiursa: Ursa.
Teddiursa and Croconaw nod, ready to battle

Volkner: Luxray, Spark!

Luxray: Lux!

Ty: Teddiursa, avoid the attack now!

Teddiursa: Ursa!
Electricity bursts around Luxray as it charges straight toward Teddiursa, but leaps aside at the last second

Ty: Now, Croconaw, use Bite!

Croconaw: Croc! Croc!

Luxray: **Being hit**
Croconaw rushes in from the side and clamps down on Luxray with a glowing bite attack

Luxray: Lux!

Volkner: Hang on, Luxray!

Dawn: **Amazed** That was perfect timing. They worked together.

Volkner: Luxray, use Shock Wave at Croconaw!

Luxray: Lux! Luxray!

Ty: Croconaw, dodge it!

Croconaw: Croconaw!
Croconaw jumps back, narrowly avoiding the attack

Ty: Now, Teddiursa, Feint Attack!

Teddiursa: Teddiursa!

Luxray: Lux?

Teddiursa: Ursa!

Luxray: **Being hit**

Volkner: **Surprised** What!?
**Teddiursa vanishes into a blur and reappears behind Luxray.*
*It strikes directly, landing a clean hit. Luxray stumbles, then collapses to the ground**

Luxray: **Fainted** Lux…ray…

Volkner: Luxray!

Referee: Luxray is unable to battle! Teddiursa and Croconaw win!

Avery: He did it!

Ash: That was amazing!

Sakura: He coordinated both Pokémon perfectly.

Raye: That strategy was really smart.

Jonah: He’s using teamwork defensively, not just attacking, but setting up counters.

Raye: He’s thinking ahead now.

Sarah: **Smiling** That’s my cousin.

Flint: Now that’s what I’m talking about. Even if you lost your Luxray.

Volkner: I know.
He recalls Luxray back to his pokeball

Volkner: **Smile** You’ve adapted well.

Max: You're doing good, Ty. Keep up the good work!

Ty: Always, Max!

Teddiursa: Teddiursa!
Then, Volkner holds up another Poké Ball, ready to send his second pokemon

Volkner: Let’s continue, shall we?

Ty: I'm ready when you are.

Volkner: All right then. Electivire, go!

Electivire: Electivire!
A powerful Electric-type Pokémon lands with a heavy impact

Avery: **Surprised** Another Electric-type? Can Ty handle that pokemon?

Ash: He can. He's reading their moves perfectly now.
Electivire crackles with electricity as Infernape reignites its flames. Across from them, Teddiursa and Croconaw stand ready, determined

Referee: Begin the battle!

Ty: All right, Croconaw, use Ice Fang on Electivire!

Croconaw: Croc!

Volkner: Electivire, dodge it now!

Electivire: Electivire!
Croconaw lunges forward, jaws glowing icy blue as it aims for Electivire, eventually, it swiftly sidesteps the attack

Ty: What?!

Croconaw: Croc?!

Volkner: Now, use Thunder Punch!

Electivire: Elec!

Croconaw: **Being hit**
Electricity crackles around Electivire's fist as it drives a powerful punch into Croconaw

Max: **Shocked** It has Thunder Punch too?!

Jonah: **Shocked** Incredible!

Volkner: That should do that.

Flint: Allow me to assist you as teamwork. Infernape, thunder punch!

Infernape: Infernape!

Croconaw: **Being hit**
Infernape rushes in and lands another electrified punch on Croconaw before it can recover

Ty: Croconaw!

Croconaw: **Fainted** Croc…
Croconaw struggles, then collapses, unable to continue

Referee: Croconaw is unable to battle! Infernape and Electivire wins!

Flint: **Excitedly grin** Yes! One point for us!

Volkner: **Smile** Totally right.
They have high five each other while Ty returns Croconaw back to his pokeball

Ty: You did great, buddy. Take a rest.

Sarah: Croconaw did everything in the battle.

Ash: He still has Gyarados with him, which he still has time to win.
Ty raises his next pokeball, preparing to call Gyarados out

Ty: Alright! Let's keep going, buddy!

Teddiursa: **Nodded & ready** Teddiursa!

Ty: Gyarados, I choose you!

Gyarados: **Roaring**
Gyarados emerges with a massive roar, shaking the battlefield

Flint: **Smirking** Heh. Taking down Gyarados and Teddiursa should be easy.

Volkner: **Smile** Agreed. Let's focus without getting distracted.

Sarah: **Observing** Ty's changed, he's not trying to control everything anymore.

Raye: Yeah, he's focusing more on his timing.

Morty: Flint and Volkner are preventing Ty from coordinating properly.

May: Even though he's letting the battle flow and reacting smarter.
On the sidelines, Pikachu, Togepi, and Manaphy cheer loudly

Pikachu: Pika pika!

Togepi: Toge! Toge!

Manaphy: Mana!

Ty: Let’s finish this together!

Teddiursa: Teddiursa!

Gyarados: **Growling**

Referee: Ready…battle!
The battlefield crackles with energy as the fight resumes

Volkner: Electivire, use Wild Charge directly at Teddiursa!

Electivire: Electivire!

Ty: Teddiursa, move quickly by dodging!

Teddiursa: Ursa!
Electricity surges wildly around Electivire as it charges straight toward Teddiursa. But leaps aside just in time

Ty: Now, use Feint Attack!

Teddiursa: Ursa!

Electivire: **Shocked** Elec?

Flint: **Surprised** Ngh!

Volkner: **Surprised* (He's using the same move again.)*
Teddiursa vanishes in a blur and reappears, striking Electivire from behind

Teddiursa: Teddiursa!

Electivire: Elec!? **Being hit**

Volkner: **Surprised** Impossible!

Lillie: **Excited** It was a nice counter!

Dawn: He's more focused now!

Flint: He's not getting away with it Infernape, Thunder Punch, now!

Infernape: Infernape!

Ty: Not this time for you!
Infernape rushes forward, fist crackling with electricity

Ty: Not this time for you! Gyarados, Hydro Pump!

Gyarados: **Roaring**

Infernape: **Being hit**

Flint: **Shocked** What?!
A massive blast of water fires directly at Infernape, interrupting its charge and sending it flying back

Ty: Now, Teddiursa, use Payback!

Teddiursa: Teddiursa!

Infernape: **Being hit**

Flint: Infernape!
Teddiursa charges forward with dark energy and lands a powerful strike on Infernape, stumbles, then collapses

Infernape: **Fainted**

Referee: Infernape is unable to battle! Teddiursa and Gyarados won. And as a result, Flint has been eliminated!

Ash & his friends: **Amazed**

Max **Amazed** He took out Infernape!

Togepi: Togepi!

Dawn: That was incredible, Ty!

May: He actually turned it around!

Sakura: He’s really grown more focused!
Flint recalls Infernape back to his pokeball

Flint: You did good today. Get some rest.

Volkner: You fought well today, Flint.

Flint: Thanks, my friend. Good luck against Ty for me.
The two sinnoh trainers handshakes each other, as Flint walks over to the sidelines, sitting down near the group with a grin

Ash: You did an amazing battle today, Flint.

Pikachu: Pika!

Flint: Thank you, Ash. I decided to sit with you and watch your friend battle.

Avery: Of course.
Now only Electivire remains on the field with Volkner

Volkner: So it comes down to this. Two on one pokemons.

Ty: And one-on-one, both of us.
Gyarados roars and Teddiursa is ready to fight while Electivire crackles with intense electricity

Referee: Trainers, ready?

Ty & Volkner: **Nodded**

Referee: Begin!

Ty: Let's give our shot, Gyarados! Dragon Rage!

Gyarados: **Roaring**

Volkner: Electivire, dodge now!

Electivire: Electivire!
A spiraling wave of draconic energy surges toward Electivire, but swiftly sidesteps the attack, the Dragon Rage crashing behind it

Ty: **Shocked** It dodged it!

Volkner: Now, Wild Charge!

Electivire: Electivire!

Gyarados: **Being hit**
Electricity erupts as Electivire lunges forward, slamming into. The impact sends sparks flying as Gyarados stiffens mid-motion. Gyarados was paralyzed completely

Gyarados: **Paralyzed** !!

Ty: **Shocked**

Teddiursa: **Shocked**

Avery: Oh no!

Lillie: It's paralyzed! That Wild Charge caused paralysis!

Dawn: This isn't good for Ty!

Ty: **Urgent** Gyarados, don't give up! You can still battle!

Gyarados: **Paralyzed**
Gyarados struggles to move, electricity still coursing through its body

Volkner: Now, finish it with Ice Punch!

Electivire: Electivire!

Ty: Gyarados, move!

Gyarados: **Being hit**
Electivire's fist glows icy blue as it charges forward. But Gyarados can't react in time, the Ice Punch lands cleanly. It crashes to the ground, unable to continue

Gyarados: **Fainted**

Referee: Gyarados is unable to battle! Electivire wins!

Volkner: Well done, Electivire.

Electivire: **Nodded** Elec.
Ty lowers his head slightly, then recalls Gyarados

Ty: You did great. Take a rest.

Sakura: Gyarados's done. Teddiursa is the only one left.

Morty: He still has his strategy to win the battle.

Flint: Trust me, this kid is looking good. But Volkner's Electivire is getting stronger.

Jonah: All we can do is root for him.

Teddiursa steps forward, determined

Ty: **Firmly** Teddiursa, it’s up to you now. I know I can count on you, buddy.

Teddiursa: **Fired up** Teddiursa!

Ash: This is it, it's the last battle.

Pikachu: Pika!

Dawn: Teddiursa’s focusing, it’s not rushing in.

May: That's smart against a close-range fighter, and it's staying just out of reach.

Lillie: It’s waiting for the right moment.
Electivire steps forward, electricity surging. Teddiursa stands firm, watching carefully, waiting for its moment

Volkner: Show me your limits, Ty.

Ty: We’ll go beyond them.

Referee: Begin the battle!

Volkner: Electivire use your Thunder Punch!

Electivire: Electivire!

Ty: Teddiursa, dodge the attack quickly!

Teddiursa: Ursa!
Electricity surges through Electivire’s fist as it charges forward at full speed. Teddiursa leaps aside at the last second, the punch slams into the ground, sending sparks flying

Max: That was a close one!

Togepi: Togepi!

Ty: Now, Fury Swipes!

Teddiursa: Ursa! Ursa!

Electivire: **Being hit**
Teddiursa rushes in, claws glowing, striking Electivire multiple times. The hits land cleanly, forcing Electivire backward and slamming it into the ground

May: It landed every hit. That's so strong.
Electivire growls and slowly gets back up, electricity still surging

Flint: **Impressed** Whoa… that Teddiursa’s attack got serious power!

Dawn: It’s not backing down at all!

Volkner: Electivire, Wild Charge, now!

Electivire: Elec!!

Ty: Stay sharp, buddy! Be ready!

Teddiursa: Teddiursa…

Avery: **Shocked** The two are getting closer!
Electricity erupts wildly as Electivire charges again. Teddiursa watches carefully, then moves at the perfect moment as Electivire rushes forward

Ty: Now, Feint Attack!

Teddiursa: Ursa!
Teddiursa vanishes and reappears behind Electivire, striking it directly

Electivire: **Being hit**

Volkner: **Shocked**

Ash & his friends: **Shocked**

Morty: **Shocked**

Flint: **Shocked**

Pikachu, Manaphy & Togepi: **Shocked**
The impact sends Electivire stumbling forward…It collapses to the ground

Electivire: **Fainted**

Referee: Electivire is unable to battle! Teddiursa wins! And the winner of this match goes to Ty Masterum of New Bark Town!

Ty: **Happy** Yes!!! We won, buddy!!

Teddiursa: **Happy** Teddiursa!!

May: **Cheering** He did it!

Manaphy: Manaphy!

Pikachu: Pika pika!

Ash: Good job, Ty!

Dawn: That was incredible!

Morty: Now that's why I call his best strategy.
Flint stands up, clapping with a smile

Flint: Now THAT was a battle!
Volkner recalls Electivire, then looks at Ty, smiling

Volkner: **Smile** Nice battle, Ty. You've proven your strength.

Ty: Thanks. You did your best too.
Ty kneels down, smiling proudly at his partner

Ty: **Proud** You were amazing, buddy!

Teddiursa: **Happy** Ursa!
Across from him, Flint and Volkner approach

Flint: **Excited** That was incredible, Ty! You handled the pressure well. Impressive. And that Teddiursa of yours, is seriously strong!

Volkner: **Smile**
Its timing and precision stood out. He made a lot of great moves today. Teddiursa is getting stronger now.

Ty: Thanks, that means a lot to us.

Teddiursa: **Happy** Teddiursa!
Ash and the others gather around, smiling proudly

Raye: You've grown so much since the start of the journey.

Ty: **Grateful** Thanks, Raye.

Ash: You were amazing out there!

Pikachu: Pika pika!

May: That was one of your best battles yet.

Max: You actually beat both of them!

Lillie: Your strategy really paid off.

Sakura: You stayed calm the whole time.

Avery: That's what made the difference.

Jonah: You earned your victory.

Sarah: You did great, cousin.

Dawn: And you made an outstanding battle with your skills.

Ty: Thanks, everyone. You too, Dawn.

Dawn: *Smile*

Morty: **Smile** Great battle, Ty. With your victory, you'll be ready to be a worthy trainer. You've done well.

Manaphy: Manaphy!

Togepi: Togepi!
After the battle, the group relaxes inside the Pokémon Center in Ecruteak City, taking a well-earned break

Flint: Man, that battle got my hand pumping!

Volkner: Now that you've won, what's your next move?

Ty: **Determined** I'm heading to Mahogany Town. That's where my next Gym Badge is.

Flint: **Grinning** Nice! Another challenge already.

Ty: Yeah, I earned six of these badges. I only have two more so I can compete in the league.

Volkner: **Impressed** That's great. You'll be ready anytime.

Morty: He definitely is.
Then, Ty questioned Morty about his rival, Victor

Ty: Hey, do you know anything about my rival, Victor?

Morty: **Calmly** Yes. He left long ago.

Max: Really?

Morty: He’s heading to Mahogany Town as well, for the gym battle after his victory against me.

Ty: Hmph.

Raye: So you’ll run into him again.
Ty looks slightly uneasy

Ty: **Quietly** ...Yeah. But he's not my idol to be fair.

May: Hey, don’t stress too much about it. Just take it easy, and focus on your goal.
Ty takes a breath and smiles again

Ty: You’re right. **Hyped up** I'm gonna focus on my journey!

Teddiursa: **Happy** Teddiursa!
The sky glows in shades of orange and purple over Ecruteak City. Ash and his friends stand near the city exit, their bags packed and Pokémon by their sides

Ty: **Respectfully** Thank you, both of you. That battle really meant a lot to me.

Flint: Heh, you earned it, Ty. That was a fun battle with you.

Volkner: You’re on the right path to your goal, and good potential.

Ty: That's why I learned from you both.

Teddiursa: Ursa.

Max: **Smiling** It was really nice meeting you both. You guys were awesome today.

Togepi: Togepi!

Flint: **Smile** Thanks a lot, Max.
Flint crouches down and gently pokes Togepi’s head

Flint: You’re a cheerful little one, huh?
Togepi giggles as Flint stands up and speaks to Ash

Flint: And Ash. Congrats on your win at the Masters Eight Tournament.

Ash: Thanks, Flint. But I'll keep going on my journey again.

Pikachu: Pika pika!

Dawn: It was an amazing battle.
The group turns to Morty.*

Ash: Thanks again for everything, Morty. We had a great time.

Morty: You’re always welcome here. And Ty, since you won against me, let's have a battle again whenever you want.

Ty: I’ll come back stronger next time.

Morty: I look forward to it.

Ash: All right, guys. Are you all ready?

Raye: **Smile** Whenever Ty is ready.

Ty: I'm ready for it.
*Ty looks ahead at the road, the sunset reflecting in his eyes.

Ty: Mahogany Town, here we come.

Teddiursa: Ursa!
The group begins walking down the path, leaving the city behind as the sky darkens, bidding farewell to Morty, Volkner and Flint

Narrator: With new strength gained and powerful rivals waiting ahead, our heroes continue their journey toward Mahogany Town. For Ty, the road to becoming a Pokémon Master has only just begun.
